

## SENATOR HALE WINS IN MAINE WITHOUT MAKING CAMPAIGN

Republican Incumbent Polls  
More Than Total of His  
Two Opponents.

### GOVERNOR ALSO VICTOR

Baxter Renominated in An-  
other Three-Cornered Con-  
test by 25,000 Plurality.

PORTLAND, Me., June 20.—Sen-  
ator Frederick Hale, Republican,  
without making a personal campaign,  
won an easy victory in the State pri-  
maries yesterday. The vote cast for  
him was larger than the total vote  
for his two opponents, former Con-  
gressman Frank E. Guernsey and for-  
mer State Senator Howard Davies,  
and his plurality over Guernsey was  
nearly 200,000. Davies ran a poor  
third.

In another three-cornered contest,  
Gov. Percival P. Baxter, Republican,  
was re-nominated for a second term  
by a plurality of 25,000 over John P.  
Deering, with Leon F. Higgins trail-  
ing.

The vote of 512 election precincts  
out of 635 in the State, representing  
out of 520 cities and towns, was:  
For Senator: Davies, 7,230; Guern-  
sey, 16,699; Hale, 36,198.

For Governor: Baxter, 40,552; Deer-  
ing, 14,916; Higgins, 10,759.

The total registered vote of the  
missing precincts, mostly very small  
towns, was too small to affect the  
result.

Senator Hale carried all but two  
counties and all but three of the cities.

It was the second defeat of Guern-  
sey for the Senatorial nomination and  
Deering for the nomination for  
Governor.

Congressman Guernsey, White, Nelson  
and Harney, all Republicans, were re-  
nominated without opposition.

## LEWIS PASSES LIE IN HOWAT ROW AT LABOR CONVENTION

Mine Union Chief Denies He  
"Double Crossed" Kansas  
Leader, as Charged.

CINCINNATI, O., June 20.—The  
American Federation of Labor con-  
vention got into a row to-day over  
Alexander Howat, Kansas mine leader,  
now in prison.

In a heated debate on a resolution  
congratulating Howat and August  
Dorothy, another mine leader, for their  
"courageous and steadfast determina-  
tion to uphold the law," John L.  
Lewis called Joe Lynam of Peoria, Ill.,  
a liar.

Lynam, one of the authors of the  
resolution, charged Lewis was respon-  
sible for putting Howat and Dorothy  
in jail and said Lewis double-crossed  
them.

"The gentleman is a liar," said  
Lewis.

The convention finally ended the  
squabble by sending the resolution to  
the mine workers for action.

An effort to organize opposition to  
Gompers as President of the A. F. of  
L. was started to-day among conven-  
tion delegates. Gompers's opponents  
have refused to accept as final the an-  
nouncement of Lewis that he would  
not be a candidate. They hope to  
prove to Lewis that they have enough  
strength to make it worth his while  
to run.

The Federation went on record in  
favor of repeal of the Esch-Cummins  
Railroad Law, instructing the Execu-  
tive Council to help the railroad  
unions in their fight on the law.

The Board filed an investigation of  
the coal industry to establish the  
relation between production costs and  
selling price was endorsed by the  
convention.

Approval also was given to pending  
Congressional legislation to prevent  
"arming out" of railroad shop work-  
ers. Continuation of efforts for amnesty  
for political prisoners was ordered.

A new trial for George Vanzetti,  
convicted of first degree murder in the  
killing of a paymaster at South  
Braintree, Mass., was urged unani-  
mously.

**ROME COMMUNIST  
LEADER IN DISGUISE  
FLEES FROM PRISON**

ROME, June 20.—Armando Sil-  
va, one of the leaders of the Italian Communist  
movement, made a daring escape  
to-day from a Rome prison where  
he had been for seven months  
awaiting trial on the charge of  
breaching a disturbance which re-  
sulted in the death of a Fascist  
leader.

It is said that friends of Silva  
smuggled into the prison clothing  
resembling that worn by Silva's  
cousin. The prisoner appeared  
in the courtyard, telling the door-  
keeper, "I am Armando Silva's  
cousin," and was allowed to  
leave his cell.

## Mayor Hylan Awarding Medals to Heroes of 1921 In New York City's Splendid Fire Department

## Mayor Hylan Turns In False Alarm But Is Not Arrested, as Signal Inaugurates New Alarm System

Fire Hazard on Manhattan Reduced by \$1,500,-  
000 Improvement—Honor Medals Awarded  
Department Heroes.

Mayor Hylan at noon to-day sent a false alarm of fire from City Hall.  
The apparatus summoned, a truck, a tower and two steamers, all led by  
Acting Deputy Chief J. W. Heffernan, came clattering into the Plaza in  
record time, but there was nothing for them to do.

The Mayor was not arrested for  
what he had done, because it was all  
part of a very well worked-out pro-  
gramme ushering in the new fire  
alarm system of the Borough of Man-  
hattan, now considered the very  
finest in the world.

The Fire Department installed one  
of the new signal boxes at the foot of  
City Hall steps so that the Mayor  
could apply the first test. There is  
no box to be opened or hook to be  
pulled when sounding an alarm under  
the new system. All you do is to turn  
a handle.

After the Mayor had sent in the  
alarm he handed a portable tele-  
phone transmitter. He plugged the  
end of this apparatus into an aper-  
ture in the box and called up Fire  
Headquarters ordering the Emergency  
Squad, which arrived in jigtime.

Before the formal opening of the  
new fire alarm system, the Mayor  
presented eleven medals for fire  
heroism, one for exceptional disci-  
pline and administration, and fifteen  
for efficiency in executing evolutions,  
at the Fire College. The records ap-  
ply to the year 1921. Fire drills and  
Emergency Squad demonstrations  
were given.

There now are 1,528 alarm boxes  
on street corners, as against 348 un-  
der the old system. One need not  
travel more than 400 feet in any di-  
rection in Manhattan to reach a fire  
signal. Each fire alarm post is pro-  
vided with a red signal lamp so as to  
be easily distinguished at night. The  
new system is believed to reduce the  
fire hazard and will be installed in  
other boroughs as soon as possible.

The fire alarm central station is in  
Central Park. About 250 miles of un-  
derground, lead-protected cables com-  
posed of 5,136 miles of rubber-cov-  
ered copper wires transmit the sig-  
nals. The apparatus of the central  
station is placed in Central Park be-  
cause of its isolation and freedom  
from destruction in the event of a  
holocaust. The new system cost  
\$1,500,000.

Those to whom medals were award-  
ed are: James Gordon Bennett  
Medal and Department Medal, Fire-  
man Jacob J. Ferber, Engine Com-  
pany 239; Hugh Bonner Medal and  
Department Medal, Fireman  
Hugh T. McGuigan, Hook and Ladder  
Company 2; Emily Trevor-Mary B.  
Warren Medal and Department Medal,  
Fireman George A. Martin, Hook and  
Ladder Company 24; Thomas A.  
Kenny Memorial Medal, Joseph A.  
Scanlon, Engine Company 277; The  
Henri Van Heukelom Medal, Lieut.  
George Foster, Engine Company 18;

Brooklyn Citizens' Medal, Captain  
John R. Gill, Engine Company 277;  
William S. Hurley Medal, Fireman  
third grade, Patrick J. Foley, Engine  
Company 18; Thomas E. Crimmins  
Memorial Medal, Fireman, first grade,  
James Simonetti, Engine Company 27;

and Ladder Company 21; John H.

pany 1; Walter Scott Medal, Capt.  
David J. Oliver, Hook and Ladder

pany 10.

THE HAGUE, June 20 (Associated  
Press).—Louis A. Sussdorf, first Sec-  
retary of the American Legation here,  
called on Foreign Minister Van Karne-  
beek to-day and explained that, while  
the United States was not participat-  
ing in the experts' conference and he  
was without special instructions, he  
must report to his Government on the  
proceedings of the conference, as he  
would on any matter of international  
interest, and he would appreciate it if  
Van Karnebeek, as President of the  
conference, would enable him to get  
first-hand information concerning the  
proceedings.

The Foreign Minister assured Mr.  
Sussdorf he would keep him advised.

THE HAGUE, June 20.—The formal  
invitation to the Russians to come to  
The Hague to negotiate on the basis  
of the Geneva agreement was forward-  
ed to-day by Foreign Minister Van  
Karnebeek of the Netherlands.

Two bridal couples were Mr. and  
Mrs. Charles B. Marr, who were mar-  
ried yesterday in St. Thomas's Church,  
and Mr. and Mrs. C. S. Boverman,  
who were married yesterday at the  
Hotel Gotham. The Bovermans were  
accompanied by 300 friends and a  
moving picture camera man, who  
aimed their departure to be added to a  
series which included the wedding  
yesterday. The film will be retained  
by the couple as a record of their  
courtship and marriage.

WASHINGTON, June 20.—The New  
York Central Railroad, in behalf of  
all its subsidiary companies and its  
own system, applied to the Interstate  
Commerce Commission to-day for au-

principally guaranteed as to payment of  
interest and principal by both the New

## BERENGARIA SAILS WITH RECORD LIST AFTER FOG DELAY

Giant Cunarder Has 700 in  
First Cabin—Bakhmeteff  
a Passenger.

The gigantic Cunard liner Beren-  
garia, bound for Cherbourg and  
Southampton, nosed her way out of  
the harbor through the fog this after-  
noon with more passengers on board  
than any ship has taken on in a mid-  
week sailing since before the war.  
The first cabin passengers alone num-  
bered more than 700.

The Berengaria was to have left her  
pier at 1 o'clock, and all visitors were  
shooed ashore at noon. But tidal  
conditions, combined with the fog, held  
her until 2:30 o'clock and 5,000  
friends of the travelers stormed in  
vain at the gang planks in an effort  
to get aboard again and take advan-  
tage of the delay.

Boris Bakhmeteff, who recently  
turned in his credentials as repre-  
sentative of the Kerensky Govern-  
ment of Russia, was a passenger. He  
refused to discuss a report that he is  
to return to New York after three  
months in Paris and engage in busi-  
ness.

Dr. Lee K. Frankel headed a com-  
mittee of the American Jewish Relief  
board for Russia to make arrange-  
ments for combating famine condi-  
tions next winter. Of \$17,000,000  
raised by the organization \$5,000,000  
have been given to the Hoover relief  
organization and the object of the  
committee is to determine the most  
effective way of spending the \$12,-  
000,000 balance.

Ann Forrest, actress, sailed to play  
the leading role in a pictured version  
of "If Winter Comes," which is to be  
made in England. Mrs. Robert V.  
Hend of No. 133 East 74th Street,  
and Miss Claire Osgood departed for  
a vacation in Europe.

Fausto Menocal, Vice President of  
Cuba and a brother of the former  
President of Cuba, occupied a suite  
with his wife and children. He is  
bound for France and Italy to study  
taxation.

The most vivid figure on the boat  
was Claire Elias, a model, who de-  
signs her own costumes. She wore  
the latest in sport coats and hats and  
had her picture taken extensively.

## Girl Jockey, 23, From the West, Seeks More Worlds to Conquer, Asks Racing License in East

Lorena Trickey, Bronco-Busting Champion,  
Wants to Ride on "Big Tracks"—Brought  
Home Many Winners in Oregon.

"I've busted broncos, I've ridden winners and I've been on the back  
of a horse so long I can't remember when I first learned to ride." This,  
in brief, is why Lorena Trickey, twenty-three years old and weighing  
ninety pounds, wants to become a jockey on Eastern tracks.

Miss Trickey has applied to the  
Jockey Club for a license to ride on  
the "big tracks." She has brought  
home winners for Charles B. Irwin  
many a time out West.

Miss Trickey left this noon for the  
West after having received the  
plaque presented by L. M. Boomer,  
hotel magnate, which she won last

July in a free-for-all bronco-busting  
competition at Cheyenne. On her way  
to her 2,000-acre ranch at Shangko,  
Ore., she will stop off in Arizona to  
meet all-comers in a similar competi-  
tion.

"I can remember when I learned to  
walk," she said, "but can't recall  
when I first rode a horse."
